### **KPM LAUNCHES NEW COMMUNITY PROGRAM**

KPM CPAs & Advisors (KPM) is dedicated to the communities in which we live and work and is launching a new community-focused program to benefit our non-profit clients and Southwest Missouri! This initiative, called KPM CARES (Community Action Requires Engaged Societies), includes three methods in which KPM and its employees can give back to the community. They are:

- Casual for a Cause – fiscally supports non-profit clients & encourages awareness of their missions
- Community Cash – employees receive an amount of funding to encourage community involvement & gain firm recognition through sponsorships
- Membership Matters – encourages the professional development & community involvement of our employees

KPM is proud to give back to this community, which has done so much for our business in the last 50 years. We believe in building stronger communities through the commitment of time, resources, and expertise and understand you must lead by example to create engaged societies. We look forward to the many opportunities KPM CARES will present for our firm, our non-profit clients, and the community.
