QUALITY SERVICES

Our firm is committed to providing quality services through our quality control programs, internal inspection procedures, and public peer review reports in addition to our memberships in organizations such as the AICPA's GAQC and Private Companies Practice Section of the AICPA.

CLIENT CENTERED

To provide efficient and effective solutions, client service is essential. You can rely on our advisors to inform you of timely opportunities, quickly identify pertinent issues, and promptly provide solutions. You can be confident that we will actively seek innovative ways to address the challenges facing our municipality clients.

TECHNICALLY SOUND

KPM is involved in industry associations locally, regionally, and nationally. We attend industry specific education events and courses to help increase our knowledge base and remain current with regulatory requirements. Remaining apprised of industry trends, evolving tax laws, and accounting regulations allows us to better serve our clients.

Serving municipalities for 40+ years

MUNICIPALITY EXPERTISE

Through our extensive experience serving more than 150 governmental entities in Missouri, KPM recognizes the unique needs of municipalities. Working with governmental clients for more than 40 years allows us to increase the value delivered on each engagement by sharing benchmarking data and identifying opportunities to help you improve your operations.
