EXPERIENCE & SERVICES

For 50 years, KPM has been helping clients navigate the complexities of their employee benefit plans. As part of our audit services, our employee benefit plan team will identify and provide recommendations to improve a plan's internal controls, reporting, and operations. We have experience with:

- Defined Contribution Plans
 - 401k & 403b Plans
- Health & Welfare Plans
- Employee Stock Ownership Plans
- Defined Benefit Plans

In addition to traditional benefit plan audit services, our team can provide:

- Compliance Guidance
- Fiduciary Responsibilities
- Reporting Compliance
- IRS Form 5500 Preparation & Review
- IRS & Department of Labor Audit Navigation & Assistance

COMMITMENT TO QUALITY

We want our clients to succeed and are committed to providing the highest quality of service. Our employee benefit team's commitment to quality is demonstrated through our membership in the American Institute of CPAs' (AICPA) Employee Benefit Plan Audit Quality Center (EBPAQC). Our team receives annual continuing education as required by EBPAQC to remain current on all the latest audit techniques, Employee Retirement Income Security Act topics, Department of Labor requirements, and other pertinent plan-related issues.
